June 21, 2019

The Honorable Andrew Wheeler
Administrator
U.S. Environmental Protection Agency
1200 Pennsylvania Avenue, NW
Washington, DC 20460

Dear Administrator Wheeler:

On behalf of the U.S. Chamber of Commerce, I invite you to brief our members on the outcomes of the G20 Ministerial on Energy Transition, the Global Environment, and Sustainable Growth and the prospects for international cooperation on environmental policies. This invitation-only discussion is scheduled for Wednesday, July 17, 2019, starting at 10:30 a.m. at the Chamber's headquarters.

The event will be composed of senior-level business leaders and experts from among our members. The meeting will be a roundtable discussion format to optimize engagement.

Key topics could include:

- Exploring the prospects for international engagement on pro-growth environmental policies.
- Reducing plastics pollution in the oceans.
- Promoting technology innovation and resource efficiency.
- Exporting U.S. environmental technologies, products, and services.
- Developing resilient infrastructure and smart cities.

Chuck Chaitovitz, Chamber vice president for environmental affairs and sustainability, will follow up with you and your team in a few days to brief you. We hope you will join us.

Sincerely,
